New records set at EPE track meet

By VICKI BROOKER

Review Staff

Elk Point Elementary School athletes set two new records as they ran, jumped, threw and putted their way through the roster of events at last Wednesday's Track and Field competition, with excellent cooperation from the weatherman, who provided a bright, sunny day for the event.

Grade 6A student Dustyn Pankiw set a new record in the Long Jump, moving the distance to beat up from 3.30 metres to 3.45 metres for the win.

Grade 5 A student Dylan Ference shaved .02 off the record in the 160 metre race, with a winning time of 7:09.

Another competitor, Charlie Rogal, 4B, tied the 111 cm. record in the High Jump.

Top four competitors in each event are as follows:

Grade 6 Boys - Ball Throw: Dustyn Pankiw, Dillan Kulczycki, Graham Stuparyk, Corbin Ockerman; 55 m: Dillan Kulczycki, Tyler Roth, Dustyn Pankiw, Corbin Ockerman; 70m: Dillan Kulczycki, Tyler Roth, Dustyn Pankiw, Corbin Ockerman; Long Jump: Dustyn Pankiw; Corbin Ockerman, Coletan Gusnowski, Dillan Kulczycki; 140 m: Coletan Gusnowski, Dustyn Pankiw, Corbin Ockerman, Tyler Roth; High Jump: Dillan Kulczycki, Dustyn Pankiw, Taiten Belanger, Tyler Roth. Riverland Challenge tops Friends of Forts to-do list

By VICKI BROOKER

Review Staff

The Friends of Fort George and Buckingham House Historic Site were busy finalizing details for the June 15 Riverland Adventure Challenge when they gathered at the interpretive centre last Tuesday to greet the 2013 staff and enjoy a barbecue supper.

Three of four staff members, Lisa Shankowski of Elk Point, Blake Desjarlais of Fishing Lake and Chris Grant of St. Paul, have returned to the Forts for another season, while Bailey Oster of Elk Point is the new addition, giving the Forts what program coordinator Ross Stromberg calls "an amazing staff."

It looks like a busy summer for the crew, according to Stromberg

and interpreter Lisa Shankowski, who says that 20 or 21 school tours are on the schedule, "the most in a season since I've been here. We already had three last week, there's one this week and we're fully booked all of June."

The staff meets the public in a newly refurbished foyer, with a handsome curved admissions desk and with not only new and more functional shelving, but also new and interesting stock, in the gift shop. "It all looks good and works better," Stromberg says, adding that there are also new cabinets in the kitchen area to facilitate food service at the major events.

Stromberg said the Forts had a prestigious visitor the previous week, when Brian Fischer, Assistant Deputy Minister of

Policy and Strategic Corporate Services with Alberta Culture, job shadowed Stromberg. "We had him fully participating in the kids' activities, including the bison hunt, and he had an utterly amazing time."

Stromberg and the Friends went through a checklist for the Riverland Challenge, with Marianne Price sending along a report that a pair of \$500 donations had been received from the Town of Elk Point and the County of St. Paul, the pancake breakfast and the canoe safety check had been confirmed, and 19 teams registered to date. What has not been confirmed, and is necessary to the canoe portion of the challenge, is a safety boat to follow the canoes down river.

Canada Day plans progress

By VICKI BROOKER
 Review Staff

Elk Point's Canada Day plans are moving right along, for the July 1 celebration with the theme, "Celebrate Canada's Youth."

Letters have been sent to 15 youth-oriented groups inviting them to put a float in the parade, and Town

Coun. Ron Fraess would like to see a few "special youth who have accomplished something in their young lives" riding on the Town of Elk Point float.

A good lineup of children's activities have been planned for the afternoon, with bounce castles, face and nail painting and Sprinkles the Clown entertaining the youngsters until 5 p.m.

Some very talented young people will also be part of the afternoon stage show, with the Elk Point Ukrainian Dancers confirmed as part of the program. Corbin Poitras, the Goodtimers band and Filipino dancers have also been confirmed to date.

The Strength Challenge is a go, however no group has come forward to take on an event in the time slot formerly allotted to the Farm Survival Challenge.

The Allied Arts Society has filled the gap created by the Elks no longer having the facilities available to do the beef on a bun supper, and will be serving up their meal at the Arts and Leisure Centre from 4 p.m. to 6:30 p.m.

Earlier in the day, food will be available at the Elk Point Co-op barbecue following the parade, and from the Travel Club's concession in the A. G. Ross Arena, at booths set up by the Christian Community Church and the Filipino group, and from mini donut and ice cream vendors. The OORP will once again continue their tradition be serving up their birthday cake.

Dee Pankiw reports that "a few entries have come in" and more interest has been expressed in the Canada Day Idol contest, which also takes place at the Arts and Leisure Centre.

Confirmation has also been received on the fireworks show.

Donations are still coming in toward the cost of producing the day-long celebration, with the Federal grant of \$2,500 now received as well as a \$2,000 donation from the Town of Elk Point and several other contributions, with organizers confident that they will be able to carry out all their planned activities within the budget.

(Continued from Front Page)

Registration check-in for the teams on Challenge day begins at 8 a.m., with the canoes to be in the river at 10:30. The starting cannon has also been confirmed. Volunteers to drive teams back from the Forts to the starting point have been confirmed, and vans are to be booked. A truck to convey late-arriving bicycles to the Forts has also been confirmed, but volunteers are still needed to direct traffic to the canoe drop-off area and to help pull canoes out of the river at the Forts landing. Plans for the water stations and the lunch are in place, but more volunteers to help with these are also welcome. Potential volunteers may phone the Forts at (780) 724-2611 or Marianne Price at (780) 645-2913.

A special added attraction during the Challenge will be a display of birch bark canoes crafted by a man who formerly worked at Last Mountain House Provincial Park in Saskatchewan.

The Friends also discussed the next event of the summer, the Bears and Berries Festival (formerly the Saskatoon Festival) on July 20. Craft sale booth bookings are now being taken at (780) 724-2611, and the Friends are hoping that crafters whose products fit with the bears and berries theme will take part. Added features that day will be a Teddy Bears' Picnic for the youngsters and horse-drawn stagecoach rides.

Chamber without grants

By VICKI BROOKER
 Review Staff

A summer without employment grants is ahead for the Elk Point Chamber of Commerce, with the provincial STEP Program discontinued and the application for a federal grant turned down due to a shortage of funds.

Due to the inability of grants, the chamber has not yet hired a summer worker for the Visitor Information EcoCentre, which is currently only open during FCSS office hours.

Discussions on staffing the facility and hours of operation will be high on the agenda at this Thursday's chamber meeting, but the chamber is not alone in this situation. The library is also without grants this summer.

A submission by Elk Point Elementary School Grade 5 student Dustin Pinder topped 126 entries from Grade 5 to 8 students across the Lakeland to win the Lakeland Industry and Community Association (LICA) Earth Day Essay

contest..

LICA's Delano Tolley said the essay "had unique ideas that would all make a difference" as Dustin answered the question, "What would you do to take care of Planet Earth in the next 100 years?" He received a \$100 cheque as his prize.

P.U.P - Year at a glance

By CHEYENNE LAWRENCE
F. G. Miller High School

The P.U.P group has three years under our belts, but with each year it feels like we are just getting started. This year the major cause that we chose to focus on was: homelessness, hunger and poverty.

On May 4, a few of our P.U.P members went to Edmonton to serve food to the homeless at the Hope Mission. We also conducted a chocolate fundraiser with all the proceeds going towards the Breakfast Program.

At the beginning of the year PUP got things going by hosting a Street Party during lunch break. During this event we barbequed hot dogs and had ice cream.

We also had a scavenger hunt where students could win some cool prizes. During the year we had two Spirit Weeks that consisted of Pajama, Superhero, Geek, Jersey, Formal, and Clash Days. During the classes before lunch, two PUP members went around to each student and staff member and told them that they were the stars of our school. Although homelessness, hunger and poverty were our main cause this year we had cancer research as a cause, as well. In November we did Movember, this is when the PUP's make and sell chocolate moustaches to raise money and awareness for prostate cancer research. Also, on May 31- June 1 a couple of PUP members are going to be going to Lloydminster to walk in the 2013 Relay for

Life. This is a 12 hour walk around Bud Miller Park to raise awareness and money for all cancers \$2457.84 was raised by donations and a very enthusiastic event called "Stop the Bop" students and staff were encouraged to meet the goal set that day to stop some not so favourite tunes that were played over the intercom over and over. Songs included the gummy song and everybody's least favourite song "Friday." This week P.U.P members presented Mr. Younghans with a \$1000 towards the breakfast program that runs every morning at

F.G. Miller. Sadly this year we are saying farewell to two graduating students, Nicole Plunkie and Mandy Berg. We are glad that they participated in activities and contributed their ideas. We wish them all the best of luck in their future journeys.

by Your Natural Choice Apple Drugs pharmacist, Chris Letawsky

- When you burn your skin, the damage continues to occur until you can cool down the area of the burn. Best advice is to immerse the burned area in cold water (no ice) for at least 15 minutes. You'll find this reduces the pain as well.
- People looking for an alternative to DEET as an insect repellent might look for products containing icaridin. It is effective against mosquitoes, black flies and ticks and is available as a pump spray, aerosol spray and towelettes. It is safe for adults and children over the age of 6 months. Examples of brands containing this include Deep Woods and Avon.
- Looking for a good source of calcium in food. Try sardines. Two ounces of this little fish provides 240 mg of calcium because you are eating the fine bones of the fish. Sardines also contain significant amounts of vitamins D and B-12 and omega-3 fatty acids.
- Expiry dates on medication have a little leeway. They don't lose all their potency on the day of expiration. But there's one medication you want to be sure is "in date" and that is your EpiPen. The EpiPen is kept on hand by people with very serious allergies and can save lives. If you have an EpiPen, check the date. If it's close to expiration, get a new one.
- If you have any questions about the EpiPen or other medications used to treat allergies, talk to our pharmacists. We'd be happy to share our knowledge.

Saluting our seniors

Elk Point has long been known for having a large and thriving population of seniors. Just because people retire from the workplace, whether they are laborers or professionals, does not mean that they plan to sit in their rocking chairs and watch the world go by.

In high school, we all learned that a body in motion tends to remain in motion, and so it is with our seniors. Some have been retired many years, and yet are always so busy it is difficult to pin down a day to have a meeting or even to meet them for lunch, because they have so much on their calendars.

Studies have shown that people who continue to be active and to take an active role in their communities tend to live longer, healthier lives, and our residents appear to be doing just that.

Have a great Seniors' Week, everyone!

May 31 - World No Tobacco Day

GARETT RICHARDSON

Health Promotion Facilitator

Every year in Alberta, 3,000 people die due to tobacco use and many more suffer from tobacco-related illness.

Every year on May 31, Alberta Health Services recognizes World No Tobacco Day, a World Health Organization initiative, to highlight the health risks associated with tobacco use. This year, Alberta Health Services is using World No Tobacco Day to highlight the dangers of flavoured tobacco products.

The use of flavoured tobacco products is a public health concern due to their potential to contribute to increased tobacco use rates, especially among adolescents. Sixty-four per cent of Alberta adolescent tobacco users are using flavoured tobacco products.

Flavoured tobacco products include both smoke products like cigarillos and water pipes, and smokeless tobacco like spit tobacco. The most popular flavoured tobacco products among Alberta adolescents include:

- Flavoured little cigars or cigarillos – 36 per cent
- Flavoured cigars – 30 per cent
- Menthol cigarettes – 26 per cent
- Flavoured waterpipe tobacco – 17 per cent
- Flavoured smokeless tobacco – 14 per cent

According to the Canadian Cancer Society, the flavour additives mask smoking's unpleasant attributes by making the smoke feel milder and smell better. These flavour additives, such as licorice and cocoa, have been shown to produce cancer-causing substances when burned. These carcinogens are additional to those already produced by tobacco.

Flavoured tobacco products typically come in flavours that appeal to children – including fruit, candy and ice cream varieties. Furthermore, these harmful products are packaged to resemble candy, lipstick, or crayons. Cigarillos are very affordable for minors; most are available as singles for less than \$2 at convenience stores (Canadian Cancer Society).

The benefits to stopping tobacco use are immediate:

- Within 20 minutes, your blood pressure drops to normal.
- Within 24 hours, your chance of heart attack decreases.

WAY BACK WHEN...

Rate hike, retirement and 4-H champions make news

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 4 IN...

1988

Despite nearly three hours of input from a dozen perturbed ratepayers, Elk Point Town Council voted to put a \$10 per month water rate increase in place, the hefty hike necessary to defray massive \$170,000 debenture payments and rising operating costs for the utility system. Five candidates were in a tight race for the Progressive Conservative nomination for Beaver River federal riding, with local candidate John Dahmer running against Laverne Noble of Glendon, Jan Kozina of Lac La Biche, Dave Broda of Redwater and Ron Young of Grand Centre.

1993

John Drobot was ready to sit on the porch and "watch the world go by" as he prepared to retire from the Alberta legislature after 11 years as MLA, breaking tradition by wearing his cowboy boots in the legislature as he helped bring about the expansion of Elk Point Hospital, the building of the St. Paul Municipal Library and convincing the powers that be to build a \$6 million courthouse in St. Paul instead of Vegreville. Town council made a long-delayed decision to commit a \$17,000 share toward extending the runway at Elk Point Municipal Airport.

1998

Amanda Wirsta and Mark Ference showed the Grand and Supreme champions at Elk Point 4-H Multi Club's Achievement Day, with Taralee Babenek showing the Reserve Champion steer and Reserve Champion female and Nichole Havener's steer win-

ning the Rate of Gain trophy with 3.57 pounds per day to his credit. Heinsburg's seven-member Class of 1998 was "Up where they belong" at the annual Farewell Ceremonies, with Travis Bowman giving the class address, stating that it is "now time to face the world. Let us take the key our parents have given us and open the door to the future, and strive for the top."

2003

Nichole Havener showed the Grand Champion steer and Shaun Robinson the Supreme Champion female at Elk Point 4-H Achievement Day, with Danielle Schnurer showing the Reserves in both categories. An oldie but a goodie, Bob Isert's 1923 Model T C-Cab won the show category and oldest vehicle trophy at the Elk Point Auto Club Show and Shine, with Rob and Cyline Vallee of Bonnyville winning the People's Choice award with a 1968 Camaro and Bill Jennissen's pink-and-white 1956 Cadillac cruising to a win in the Antique category.

2008

Robyn Ockerman showed Elk Point 4-H Multi Club's Grand Champion steer while her younger brother, Tyler, showed the Reserve Champion at Achievement Day, where Alexis Bristow won the stall display award and sisters Seanna and Ashton Ewasiuk put their project horses through their paces for an admiring crowd. The Baby Crawling Race and Baby Buggy Race vied for attention with rows of gleaming vehicles, tractors and bikes at the Auto Club Show and Shine, with Larry Nordquist's pearl-white 1940 Ford coupe winning the People's Choice, Show and Oldest Vehicle trophies.

Single game for Pee wee Sox

By DOUG BASSETT
Review Sports

There was only one game this past week for the Pee wee Sox, who played a house league game at home on Thursday night against Elizabeth Colony. This same team had defeated the Sox quite badly, by about eight runs, the first time these two teams met a few weeks ago, so this time the much improved Sox were looking for a little payback.

Corbin "Crusher" Ockerman getting the call to start on the mound in this one; he threw some great fastballs for strikes, in fact he struck out three batters, but his control wasn't always there, five runs would also cross the plate, most of them on wild pitches. With a little more work on his control "Crusher" is going to be one powerful workhorse on the mound to be reckoned with. The bottom of the first the Sox would answer with four runs of their own, three runners getting on base with walks, before the catcher Graham Stuparyk singled up the middle driving them home.

The Lakeland League only allows a pitcher to throw one inning, so Cody "Baby Ruth" Fairbairn was second on the hill, he did a fantastic job, but his fielders didn't, in fact they really let him down, committing four errors in the second inning that allowed three runs to score. The bottom of two the Sox bats were shut down to make it even worse.

Brother Braden Fairbairn next out of the bullpen in the third, he faced three batters and with some excellent fielding grounded all of them out. This left his younger brother, the "Babe" wondering why the infielders wouldn't do that for him too? Bottom of three the Sox bats pick up three and are now only down by one.

Top of four, Nicholas "Big Bird" Tucker on the hill firing some major heat. Three backwards Ks for "Big Bird". And in case you don't know a backwards K in the scorebook is a batter who strikes out standing watching. But the "Big Bird" was also having some control issues on this night; he allowed two runs to score on wild pitches. The "Bird" is a scary pitcher to most batters; he's big, tall and lanky, with long arms he reaches half way to home before he releases the ball. Look out when he gets his control figured out, because he has one heck of a fastball that most batters at this level

will more than likely shy away from and go down looking. The bottom of the forth the Sox would rally and pick up three more runs to tie this one at ten all.

The Lakeland League rules state that no inning can start after 8.30 pm so normally the teams try to play six innings, but on this night it would be only five.

The Sox had already warmed up Angus MacFarlane in the bullpen for the fifth inning and had Dustyn "Dust Pan" Pankiw penciled in warming up as their

closer in the sixth. Angus starting the fifth faced three batters but with some more errors on the field two more runs scored. The Sox coaching staff now going to their closer Dustyn "Dust Pan" Pankiw to finish this one off, but he had control problems too. It seemed to be on the menu on this night; a couple of hit batters, wild pitches and one more would score before he could get three out.

Bottom of the fifth the Sox needing four to win, Angus MacFarlane doing his part would single and

steal his way around to third and score on a wild pitch, Dawson Haesch with a single gets around to third, Kaiden "K Rock" Evans-Anderson's single drives in Dawson. Only one more to tie, but, with two grounding out and one going down swinging, it was close but no cigar for the boys of summer. Oh yeah, boys and girl, let's not forget about "Taylor Made" Pankiw, she didn't pitch on this night but was one for two at the plate and snagged a lot of wild throws to first to get the out.

PUBLIC NOTICE TO ELECTORS

of the
COUNTY OF ST. PAUL NO. 19
PROVINCE OF ALBERTA
Section 251 of the Municipal Government Act

TAKE NOTICE that the Council of the County of St. Paul No. 19, in the Province of Alberta, has given first reading to Borrowing Bylaw No. 2013-13 which will, upon final passage and approval authorize the proper officers of the said County to borrow monies from the Alberta Capital Finance Authority or another authorized Financial Institution, by way of debenture issue, to pay for the cost of the following municipal purpose namely for paving in acreage and lake lot subdivisions within the County of St. Paul.

The total cost of the aforesaid project amounts to \$6,589,000.00. After deducting from this cost the amount of \$500,000.00 to be paid out of general operations, the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$6,089,000.00. The debentures are to be repayable to the Alberta Capital Finance Authority or other authorized Financial Institution not to exceed fifteen (15) equal consecutive annual installments of combined principal and interest, the annual interest not to exceed eight percent (8%) or the interest rate as fixed from time to time by the Alberta Capital Finance Authority or other authorized Financial Institution.

NOW THEREFORE NOTICE is hereby given by the Council of the County of St. Paul that, unless a petition of the electors for a vote on Bylaw No. 2013-13 is demanded, as provided for by the terms of Section 231 of the Municipal Government Act, the said Council may pass the said Borrowing Bylaw.

All persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at the Town of St. Paul, in the Province of Alberta, this 28th day of May, 2013.

Sheila Kitz, CLGM
Chief Administrative Officer

INFORMATION OF ELECTORS

THANK YOU

There is no words we could find to express our heartfelt thanks for all the help and support we received in the loss of our home.

Thank you Brent and Jean for allowing us the time to rescue "Puss Puss" and the trucks. To Ron & Sharon for taking us in and Jim & Amelia for being there to listen to us. Thank you to all the firefighters who worked so hard and did their best. You guys are amazing.

We will never be able to express our gratitude to our friends, neighbors, co-workers and the people of this town for their support, gifts and understanding. As a community you should all be very proud. Thank you all very much and we hope some day to be able to return the favor.

NOTICE OF ELK POINT LODGE CONSTRUCTION PROPOSAL

Multi room housing development in Elk Point with additional community access for catering, open dining, fitness club and conference room.

ELK POINT COMMUNITY MEETING INVITATION

Topic: To solicit opinions from community members on the proposed construction of the Elk Point Executive Lodge

Host: Aurora Lodges

When: Tuesday, June 4th, 2013 at 7 pm

Where: Elk Point Seniors Center

Background

The Elk Point Lodge project is being designed to enhance housing capacity in the Elk Point region for both individuals and corporations looking for short and long term housing needs. Elk Point is uniquely situated in the center of the Alberta Lakeland District. There is a significant amount of economic activity in the Lakeland area that will require housing solutions. Aurora Lodges is excited to explore and develop the housing needs of the Lakeland area while anticipating and addressing the requirements of the Elk Point community.
